Good afternoon:

ATI  
I received the document of the Sixty-Seventh omnibus objection (Non Sustantive) of the Puerto Rico Highways and transportation authority to duplicate and deficient claims.

Attach the following documents:

- 1- The document that titles "Numero de evidencia de relamacion en virtud de la ley promesa: 10894. Nombre del demandante: Aracelia Torres. This document substitutes the one that I filled in english.
- 2- Copy of the page 4 of 11 of my brokerage statement with one product that is PR Highway with Cuslp number 745220JYO with the amount of \$10,000.00.

On February 2019 when I sent the document in english that titles Promesa Proof of claim number: 10894, Clalmant name: Aracelia Torres, I understood that I had to write the products of PR Highway and PR retirement. I forgot that PR retirement has other claim number, so I think the objection is for this error. I am trying to resolve the error sending these documents corrected.

I am an old lady and these money is product of my saving and I do not want to lose it due to an error. I am not lawyer. My job was beauty specialist.

I appreciate all the help to submit these corrected documents. I do not have a lawyer but I think if we correct it, it is possible that it is not necessary to contract a lawyer. Since February 2016 I have no received more payment of PR Highway.

If you need more information, please, do not hesitate to contact with me.

Respectfully Yours,

Aracelia Torres
